

## CITY OF MORENO VALLEY REQUEST FORM MULTI-FAMILY IN UNIT RECYCLING TOTE BAG

Thank you for your interest in the City of Moreno Valley's in-unit Recycling Tote Bag Program. The goal of the Recycling Tote Bag Program is to encourage MoVal residents to recycle correctly. The more effective the program, the more is kept out of the landfill and the closer the City is to reaching and maintaining the State's recycling goal of 75% diversion by the year 2020.

Each unit qualifies for a tote bag that lists acceptable recycling materials to make recycling easy and convenient. The bags will help tenants carry recyclables from inside their apartment to outdoor recycling containers.

Landlords and property managers can request tote bags for their entire multi-family property, while supplies last.

This form may be returned to [movalrecycles@moval.org](mailto:movalrecycles@moval.org) or mailed to the City of Moreno Valley Solid Waste and Recycling Program at 14331 Frederick St., Suite 9 548; Moreno Valley CA 92553.

Property Name:	
Property Address:	Zip Code:
Number of units at address:	Phone Number:
